8. **Transcription- receive a written record of what was said during the conference via email or hard copy. *Can only be used for conferences lasting 240 minutes or less***

   ○ Yes
   ○ No

9. **Question & Answer Session- give your participants the opportunity to ask questions during a conference. Participants indicate that they have a question using their telephone keypad, while the operator manages the question queue in a professional and orderly fashion. This feature will audtomatically enable "Lecture Mode".**

   ○ Yes
   ○ No

10. **Lecture Mode- mute all participants' lines during your presentation to reduce background noise, allowing to deliver your message uninterrupted.**

   - ○ Yes
   - ○ No

11. **Communication Line- Speak with an operator outside of the main conference to convey behind- the- scenes information, orchestrate guest speakers or give timing cues. A communication line makes it easier to manage all the details of a large conference.**

   - ○ Yes
   - ○ No

12. **Participants List- capture your guests' names, organization, and email address information as they dial into your conference. This list is emailed to you for your reference so you'll know who heard your message, who missed it and with whom to follow-up.**

   - ➢ YES
     - ○ **Event Plus** – Participants will Automatically be placed into the meeting.
     - ○ **Operator Assist** – Live operator will pick up each participant and have them provide the conference ID number and or email, department, etc.
     - ○ **Participant List of everyone in the call** – this will provide a list of everyone in the call.
   - ➢ No

13. **Leaders View - With the leader view the leader/speakers can relay any questions or requests to the operator via an on screen chat with the operator. It allows the leader/speakers to monitor the participants and get the number of participants and the participants names. With the leader view the leader/speakers can also monitor the Q&A portion of the call. They can also stop individual people from asking questions by instructing the operator to do so.**

   - ○ Yes
   - ○ No

14. **Approved Participants List- indicate which participants are schedule to be on the conference when creating your reservation. At the time of the call, only those on the list will be joined to the conference. Provide list to [HYPERLINK "mailto:audio-teleconf@epa.gov"] along with conference ID number.**

   - ○ Yes
   - ○ No
